# FORESHADOWING...

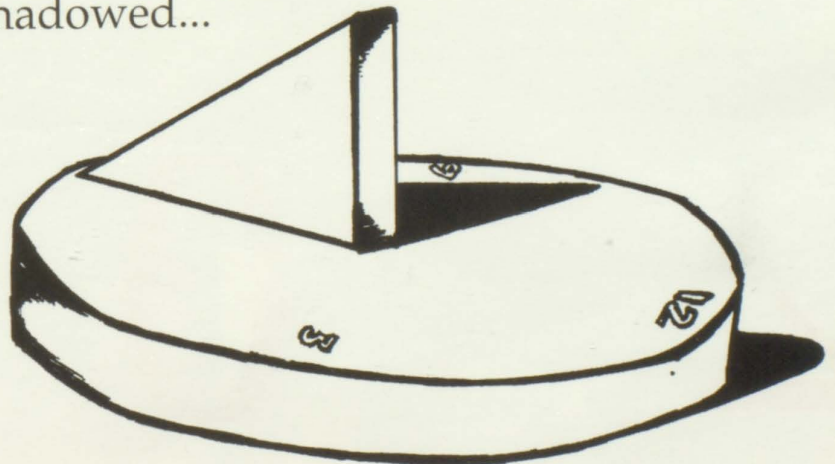

At the beginning our lives were overshadowed by our inexperience and innocence. As the years passed by we grew, learned and changed. The lessons we have gained over the years are varied and of intrinsic worth. We have learned from teachers and each other, from our actions and their fortunate and unfortunate results. Our surroundings and relationships have taught us life long lessons such as the value of trust and the meaning of persistence. The different facets of our characters have been nurtured by people who care, believe, and trust in us.

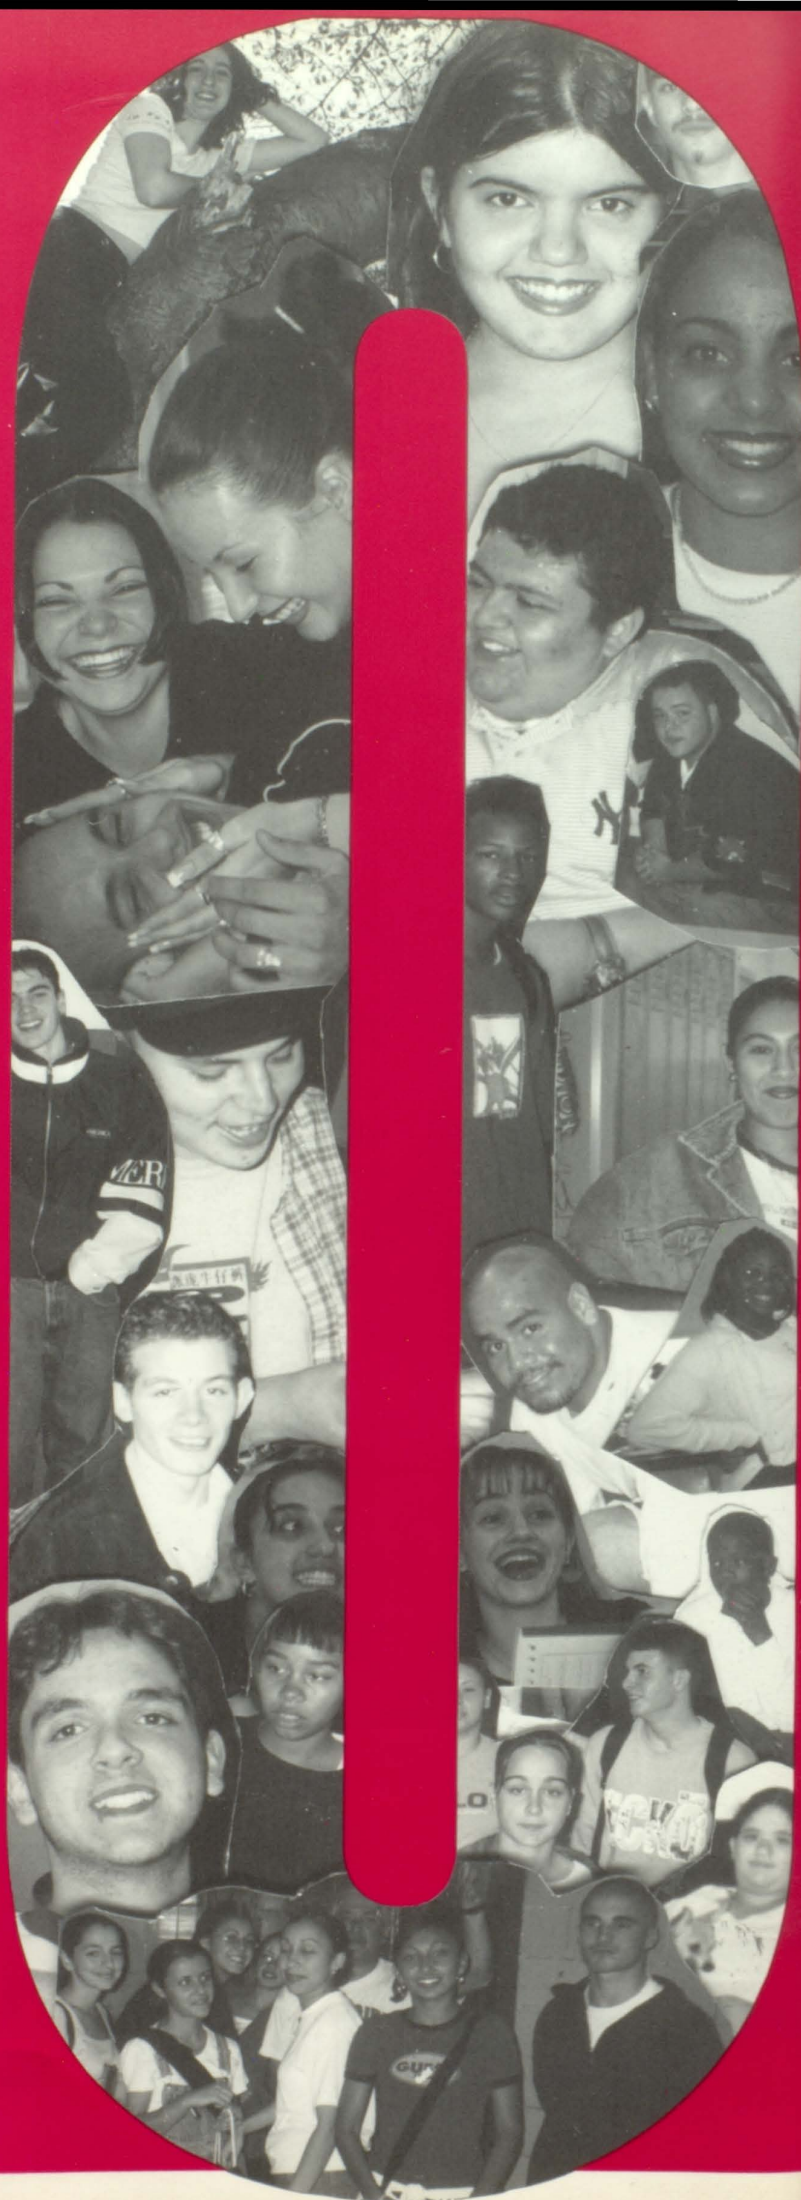

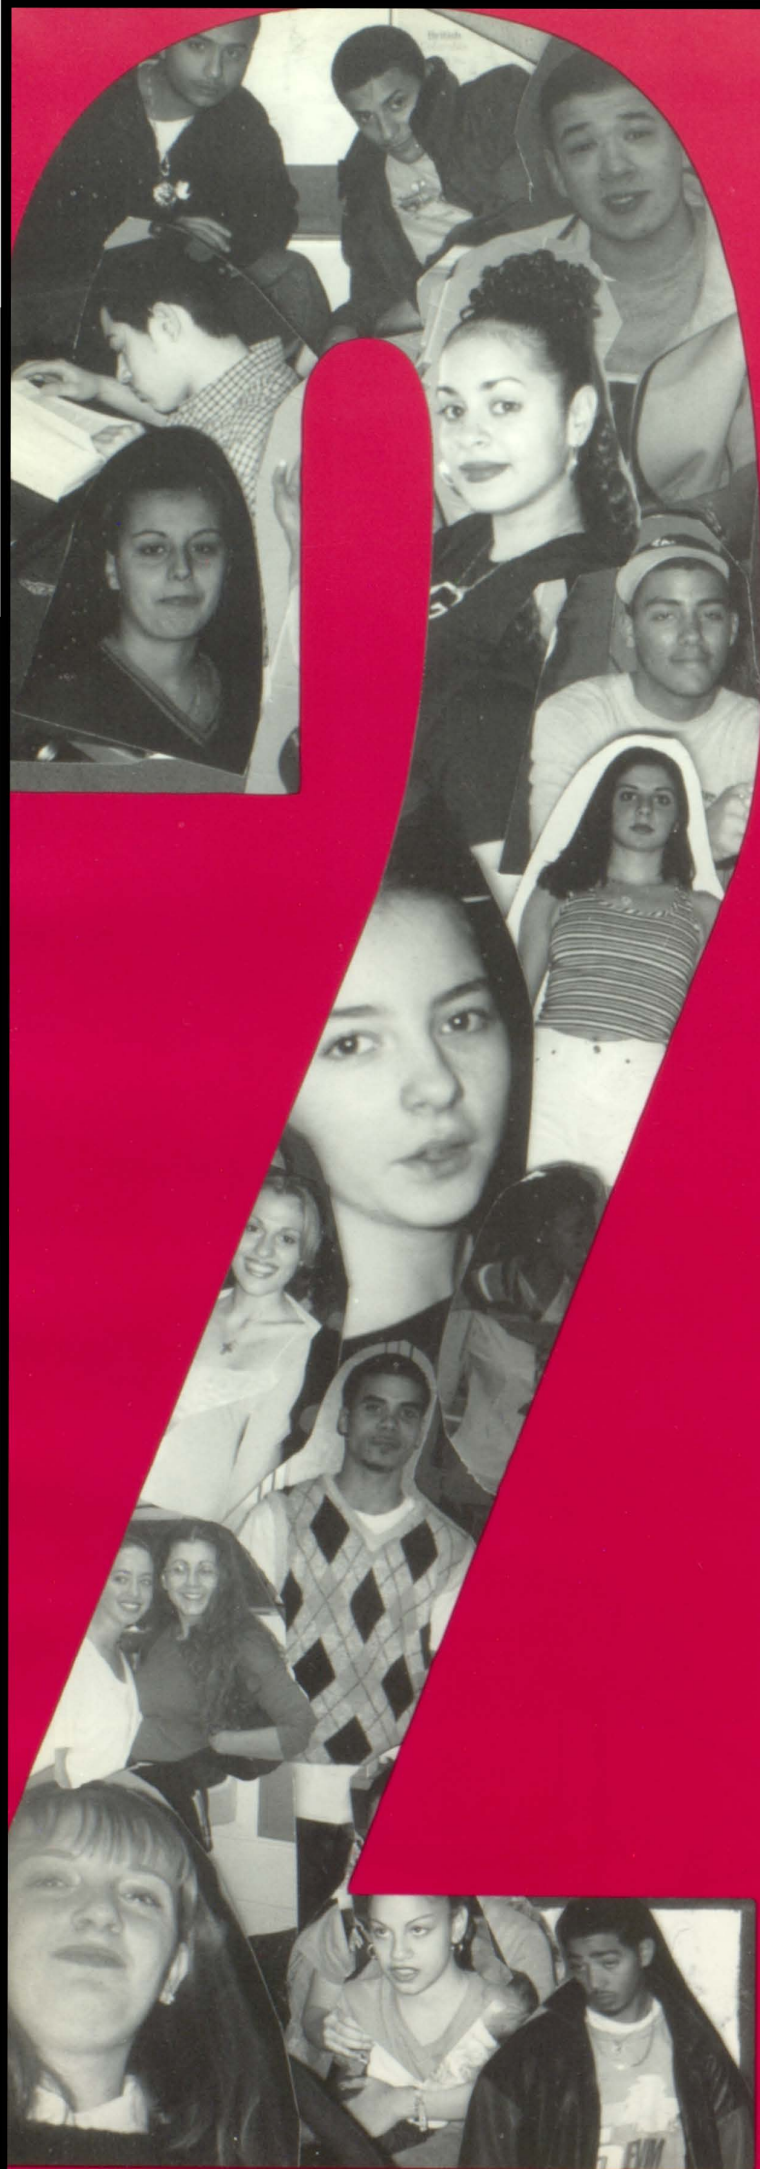

The passage of time has shown us how we ought to make decisions. The results of our decisions have shown us what is right and wrong in life. Through our decisions and actions we have gained knowledge and experience. We now look into the future and know that whatever occurs, we will be ready to confront it and convert it into a success.

As the years pass we are haunted by the shadows. The supposedly insignificant actions have foretold the path of our lives. The future hid in deceptive illusion before us, so we could not see how this time would come. But can you see it? Can you see how yesterday's decisions and occurrences foreshadowed your life today? In the beginning, we knew nothing of what was to come. We garnered experience, honed our skills, developed lifelong friendships and in essence moved from adolescence to adulthood without suspecting that it is all foreshadowed...

PROM

*B*lack, Silver, and White! Moons and Stars! Expensive suits and gorgeous dresses! They all made up our Junior Prom. That fateful May night that made us all realize that soon we would be seniors, and we rejoiced. It was clear from the smiles in our faces that we were having a great time. The dancing, revelry, and laughter marked a night of friendship and merriment that we won't soon forget.

MARCO ALMEIDA

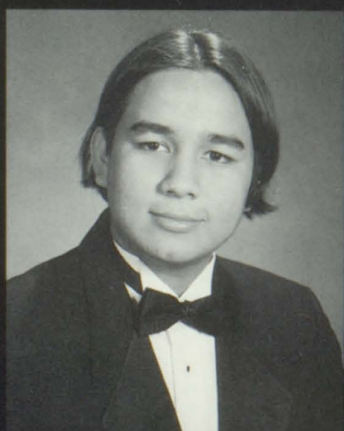

Although she is undecided on what college she will attend, she plans to major in business. Heloisa is very goal oriented, extremely organized and a strong leader. That is why our class was so lucky to have her as junior and senior class president. She tries to never give up and even though she is afraid of what the future holds she is looking forward to confronting what may come and doing her best to make a success of her future.

Ranked number four for the graduating class of 2000 is Antonio Matheus. He is planning to attend St. Peter's College where he hopes to major in biology, minor in education, and someday become a high school teacher. It is very probable that he will accomplish his many goals, because of his competitive, responsible, and inquisitive nature. The most influential part of high school for this scholar was being a member of the debate team, because it helped him improve his speaking, analytical, and writing skills. Antonio is the debate team co-captain and the president of the National Honor Society, positions at which he excelled. By setting his priorities and never giving up Antonio has proven to be an outstanding individual who is likely to be a success.

Talking about someone who likes to be ranked, Dario Camara is ranked number seven academically at East Side as well as a top debater in the state of New Jersey. His special quote is "The well-bred contradict themselves." Dario holds true to his quote by always questioning himself and planning his every move. He has truly proven how wise he is and his forceful character will help him succeed in all his endeavors. For Dario the best thing about high school were the relationships between people that he will never forget. Since he ranks top notch in our books we're not likely to forget him either.

She knows that everyone is different and that we all have our positive and negative sides. This will help Haydee succeed in whatever she plans on doing, because she's a very open minded young lady. Growing up we believe that we can do everything and do it well. As we grow up and leave some of our pride behind we learn that guidance accomplishes greater and better things. That is why the class of 2000 is very grateful for having wonderful teachers who helped us grow into mature and dedicated young adults. The class of 2000 has had the pleasure of having the two "greatest" Advisors: Mrs. Contardo and Ms. Goldstien. They not only gave their time and support to our class, but helped us plan and manage our senior year activities. Their dedication and assistance has helped our class a great deal, and it has also provided us with an example of what a good advisor should be. "Thank you" for giving us your love and guidance. Our class would also like to thank Mrs. Rosenbaum for being our junior year advisor. We will always remember your love, time, and support. Thank you.

*Tom*

*Clark*

In looking through the list of past East Side High School graduates, we find very interesting, generous, and courageous people. One such person is Tom Clark who graduated from East Side High School and lived most of his teenage years in the Ironbound section of Newark.

While at East Side, Mr. Clark already showed signs of stardom by setting two Newark high school swim records, and being part of the All-City Baseball Team. This man's determination to succeed gained him great recognition through his various travels all over the country and his real-life activities. There are life stories that have an uncanny similarity to fiction books. Fiction characters participate in exciting and perilous adventures where the hero survives and receives an award as well as great honor. Tom Clark's life resembles that of a fiction book hero. After ESHS Clark continued by going to Seton Hall University on a baseball scholarship and becoming the captain/MVP of the swim team. Although college taught him a lot it was being a Major in the U.S. Marine Corps and serving

in the U.S. and the Far East, that taught Tom Clark courage, readiness, and the skills he needed to become an FBI Special Agent. All cases in which Mr. Clark has participated are important to him, since each taught him a lesson. However, there are cases which he will always remember as the most important, cases such as the JFK Assassination, the Jimmy Hoffa case, the Florida East Coast Railroad Train Bombings, the Mississippi Civil Rights Killing, the Martin Luther King Assassination, and numerous bank robberies and fugitive cases.

Dedication and determination have been the main motivation throughout Tom Clark's life. These traits have gained him various awards in both his career and beloved sports. Mr. Clark has been honored with awards from six different Attorney Generals, the director of the FBI, and the Immigration Service/Border Patrol Investigation. To Mr. Clark, though, the most

important awards he has received were for swimming. Swimming has always played a prominent part in Tom's life. Being the first Justice Department Official to swim Alcatraz to San Francisco and Golden Gate Bridge both ways and winning over a hundred swimming medals in the International Law Enforcement have proven to be the most special recognitions for Tom.

Tom's life is full of great accomplishments and boundless recognitions for his efforts. However, he has never forgotten his beginnings and where his story book life started. East Side holds many special memories for Tom and he has gladly come back to encourage new graduates. He wishes the class of 2000 the best of luck, and encourages them to never give up on their dreams.

Danielle Pinto who has participated in volleyball finished the season holding three school records. She tied the old school record by scoring fifteen aces in a two game match. The two other records of which she is the holder of are the most service points in a two game match with 21, and most points in a season with 145. We are sure to miss this talented player and wish her the best of luck in the future.

Every so often we meet someone special, and this holds true for our senior star runner, Hugo Nogueira. Hugo has been a faithful and dedicated member of the track team ever since his freshman year. Throughout his four years of hard work, Hugo has made state first team all-county, City cross-country champion, state second team outdoor track, as well as state third team mile in the outdoor track all in his junior year. During his senior year, Hugo was named captain of the team and was the Watchung Conference cross-country champion. The track team is lucky enough to have a person like Hugo in their ranks.

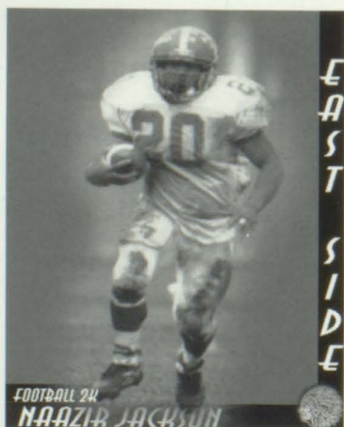

Silvia Pascoal is one of the outstanding athletes in our graduating class. Silvia was the captain of our girls volleyball team during her senior year. She was also the best blocker on the team and the best player during all of the girl's tournaments. She has received the fall sport's award of academic achievement. In college, she hopes to continue playing volleyball and we all wish her the best of luck.

East Side's star Quarter Back for the past three years is our very own Twquan Wilson. Twquan recalls the union game of this year, he had two passing touchdowns and two hundred passing yards. In Twquan's career he has made the 2nd All-County team in two years. He has been a great addition to our East Side team with his record total of passing yards of 1,000 and has rushed for over 600 yards. Great Job Twquan!!

Johanna Garcia has participated in four different sports which included volleyball, basketball, swimming, and her most treasured sport, soccer. She loves all sports, but she has a special love and dedication for soccer. She has been playing since her freshman year and has been the team captain since her sophomore year. She has played the positions of midfielder and forward where she kept strong focus and control. In the '98 season, she was awarded the Best Female athlete title by the school newspaper. We are very proud of her success and contributions to East Side sports for the past four years.

In the beginning of his high school career Naazir Jackson only wanted one thing: that was to become a football player. Ironically, what he did not know was that he would become one of the best running backs to ever grace a football field in the state of New Jersey. Jackson became the starting half back in his sophomore year and by his junior year he was elected team captain. In the span of his career Jackson rushed for a total of 4,120 yards and scored 30 touchdowns. We can now proudly call him one of the best running backs in our school's history.

# CHEERLEADING

Our girls Softball team won the Newark Tournament Championship during the 1998-99 season. Much of the credit should go to their great coaches Mr. Tuson and Greg Giannino who were backed by the team captains Vaneza Calderon and Lisa Velazquez. The team worked hard and had a winning record of 12-11. During the season we had some exceptional athletes on our softball team, Rosa Bayas, Erika Rodriguez, Liza Velazquez, Vanessa Mota, and Vaneza Calderon. These players made sure to give their best at each game.

S O F T B A L L

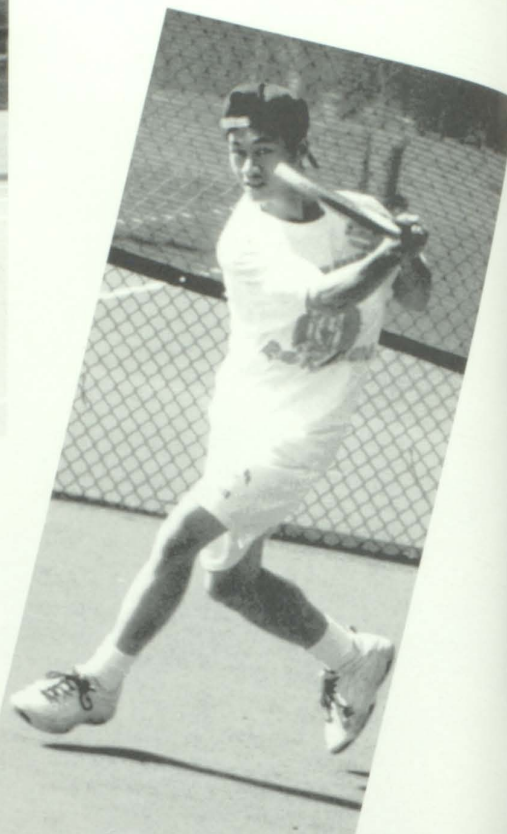

The outdoor track team who was coached by Miss. Harris and Mr. Martins have once again completed a successful year. The boys captain, Hugo Nogueira, took first place in the County Meet and placed 13th of over nearly 100 runners at the State Meet. As a team the boys took second place in the Conference and made it to the Group 4 Championships. The girls team who consisted of junior Diana Lourenco and senior Carla Notas also had a great season. The discus and shotput team was lead by coaches Mr. Gabrielli and Mr. Sandford. The team included Yasin Webb and Tony Da Silva who graduated in 1999 and were the team leaders in the events. The team also included seniors Anthony Torres and Nicanor Trinidad which also had notable seasons.

# TRACK & FIELD

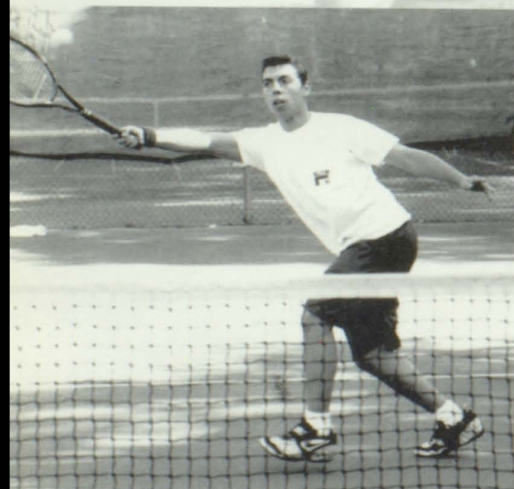

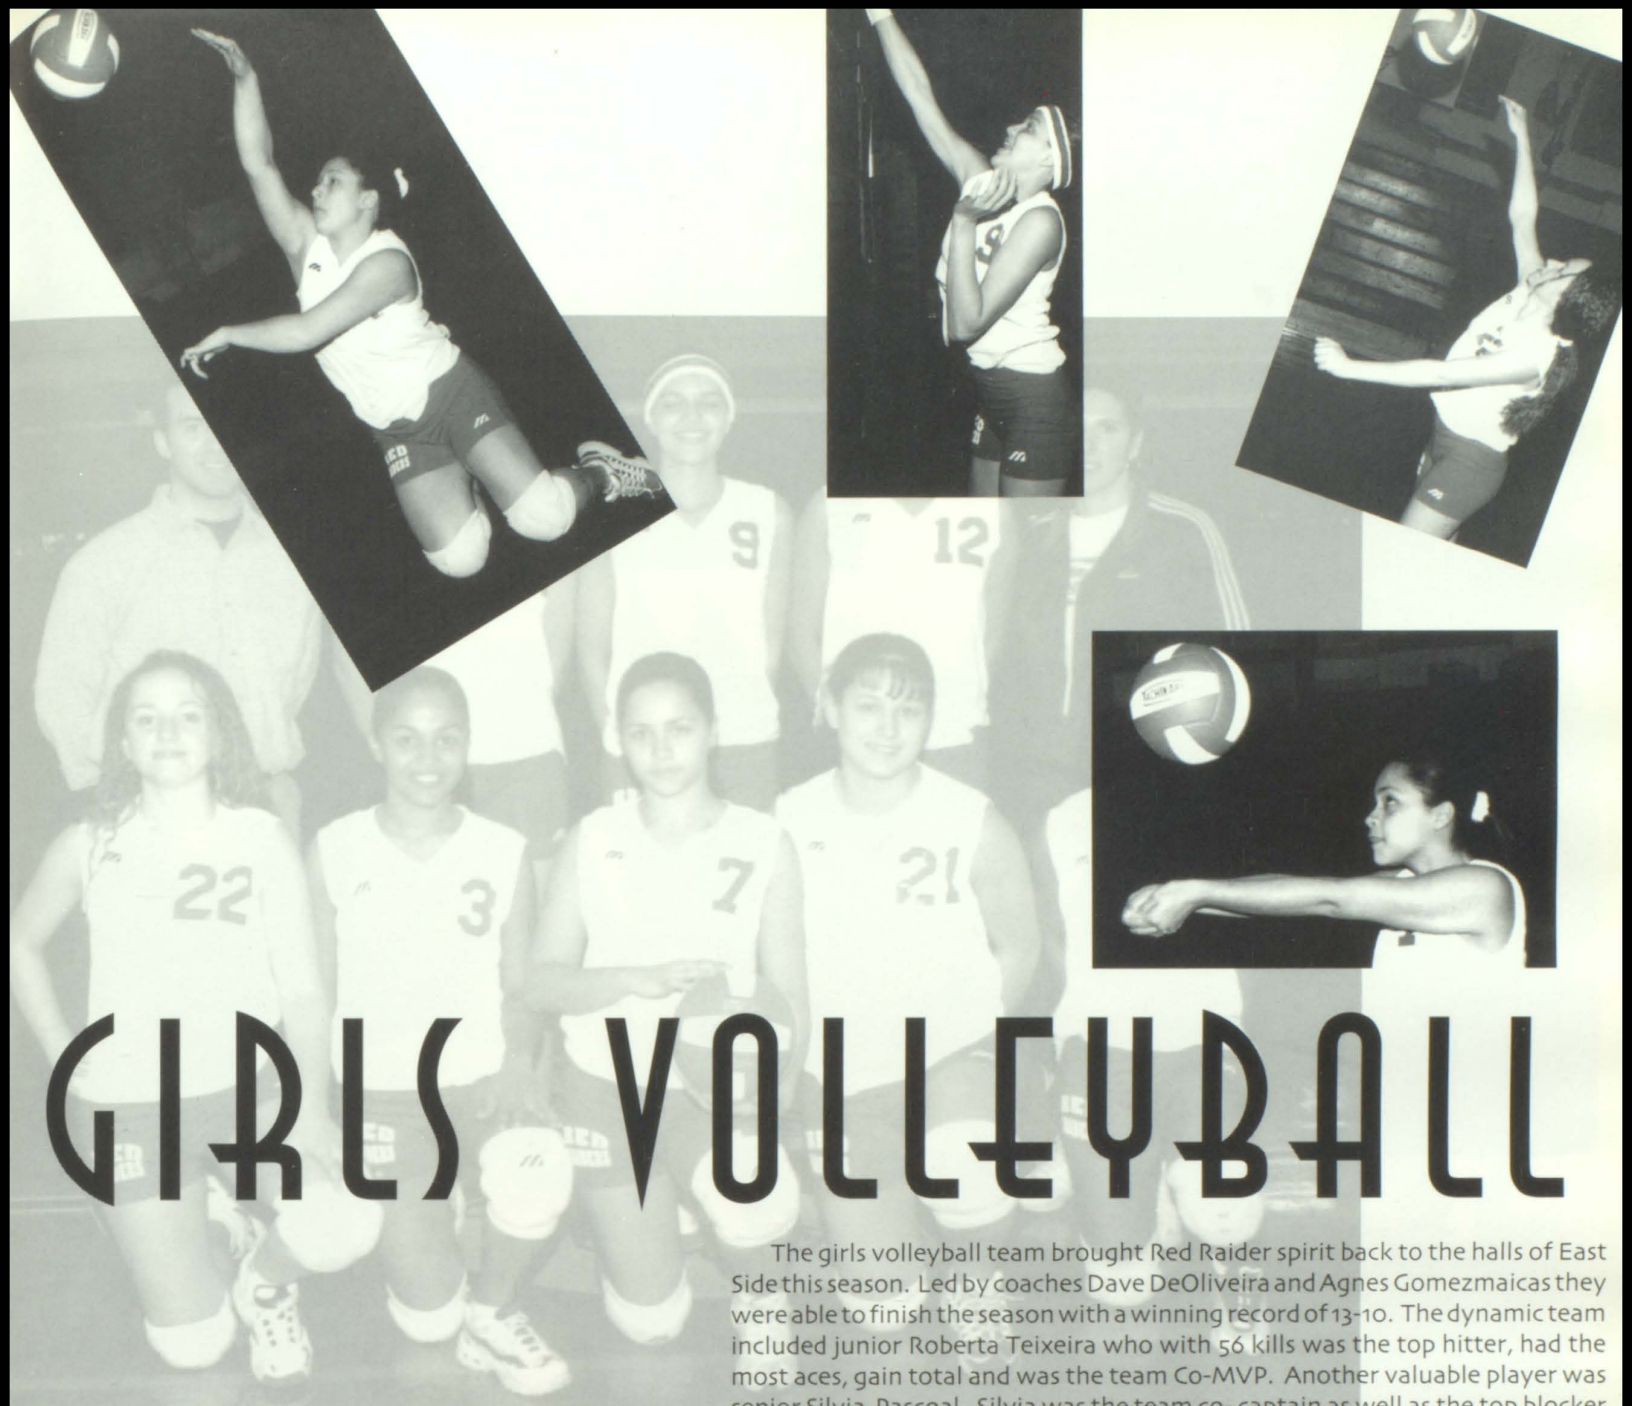

# BOYS TENNIS

Another fine example of East Side's ambitious spirit is the boy's tennis team. They were led by captains Rogelio Cayolo and Ricky Viegas and coached by Mr. Dessesau. Dino Abragao made a strong showing in the Essex County Tournament by winning two rounds. Overall the guys worked their hardest and came out of this season with high expectations for next year.

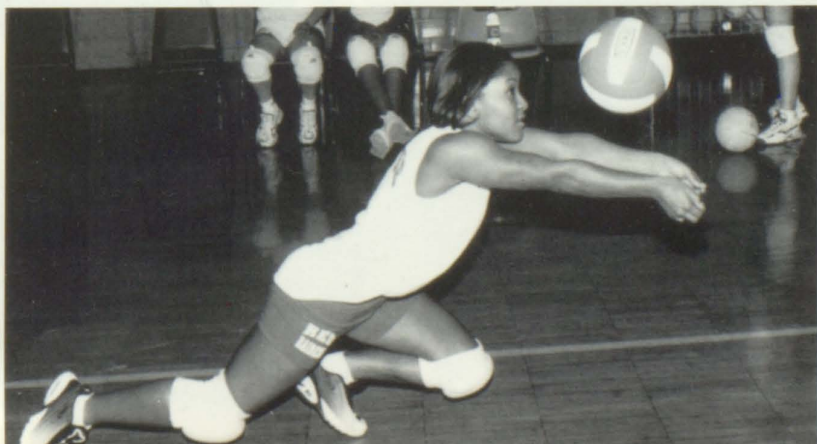

# GIRLS VOLLEYBALL

The girls volleyball team brought Red Raider spirit back to the halls of East Side this season. Led by coaches Dave DeOliveira and Agnes Gomezmaicas they were able to finish the season with a winning record of 13-10. The dynamic team included junior Roberta Teixeira who with 56 kills was the top hitter, had the most aces, gain total and was the team Co-MVP. Another valuable player was senior Silvia Pascoal. Silvia was the team co- captain as well as the top blocker with a total of 15 blocks. Yet another successful junior was Giselle Soares who was a member of the " All City" team and was in the Star Ledger's top performance list for most service points in a 2 game match. Finally the most valuable player this season was senior Danielle Pinto. She was the top defensive specialist, had the most service points with a record of 145 (which is a school record), the most assists with 70 in total, was the team Co-MVP and was named in the Star Ledger's top performance list for the state's most service points in a 2 game match and most aces in a 2 game match with 21 points and 15 aces.

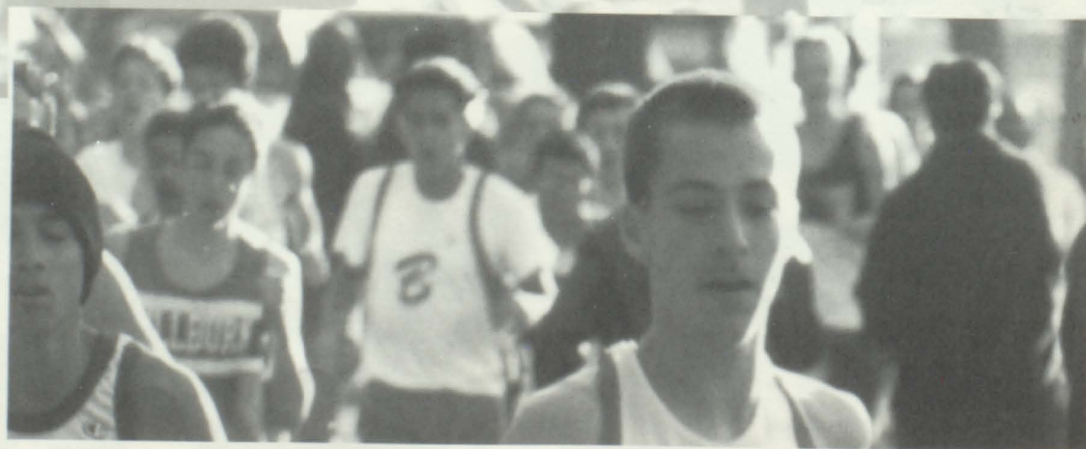

# CROSS COUNTRY

Our cross country team had another successful season. This dynamic team was coached by Miss Harris and Rui Martins. The exceptional athletes for the season were team captain Hugo Nogueira, freshman Danny Dos Santos, and senior Luis DeJesus, who did a great job raising the level of his game. Our boys started the season with a sweep in the city championships. Hugo Nogueira placed 4th in the Watchung Conference and qualified for the group four championship, where he ran a terrific race. The girls team was captained by the injured Carla Notas whose support and leadership helped runners like Diana Lourero excel during the season.

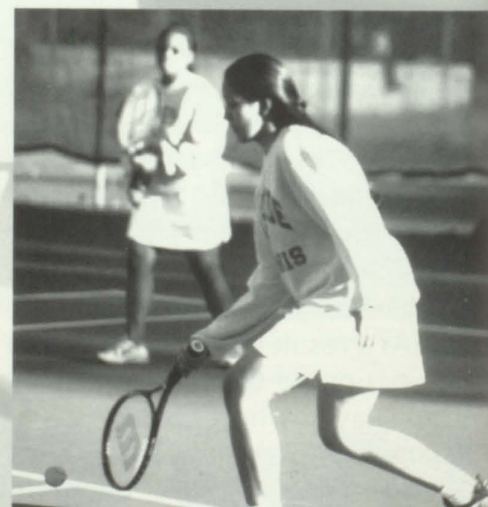

Coached by Zeke Tuson the East Side girl's soccer team finished the season with great memories to carry with them. In a season in which highlights included a televised game where our girls defeated their long time rivals, Elizabeth's Lady Minutemen, by a score of 4-1. One player who excelled this year was junior Carine Cavalheiro who scored 17 goals for the season, 13 of which came in the month of October. As a result of her stunning performance she is in the running to receive All-County Honors. Another player who excelled was senior co-captain Johanna Garcia who through adversity stuck with the team ever since '96. Congratulations on a job well done.

# GIRLS SOCCER

# GIRLS TENNIS

The girl's tennis team was coached by Evan Dessasau. They had a fun season and didn't flinch in the face of adversity. This team was led by seniors: Julia Jarrin, Atiya Sharif, and the team captain Silvia Bernardes. They helped to guide two exceptional underclassmen, Nhi Vo and Tabath De Oliveira, who hope to lead this team to future victories.

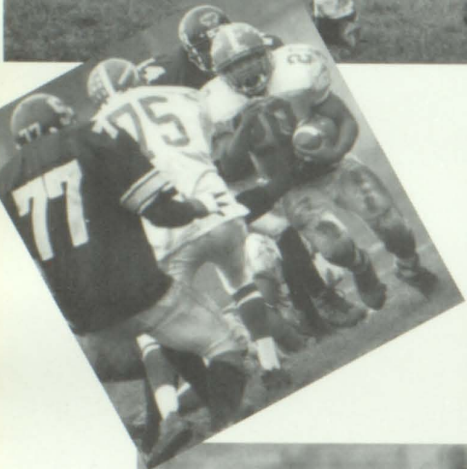

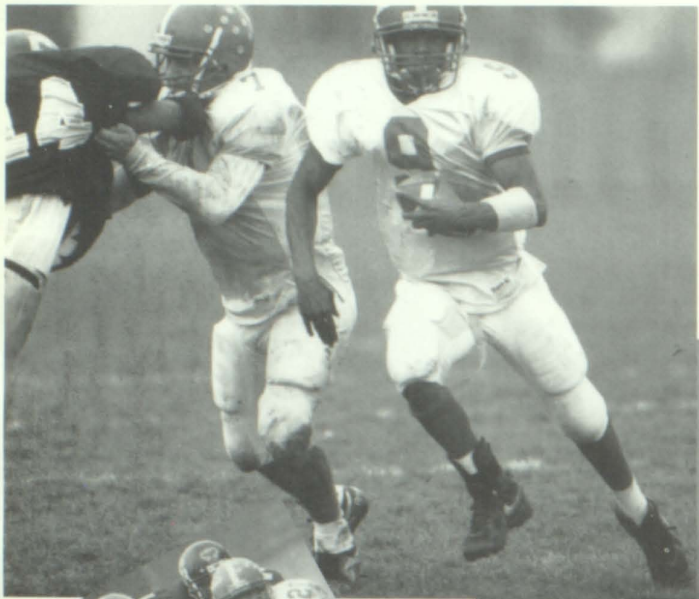

# B A S E B A L L

The boys baseball team competed well in the '99 season. They were well led by Coach Duggan and by Coach Spadavecchia. During the season, the team had 2 huge wins. One was an 8-5 win over Elizabeth High School as well as a 10-3 win over Springfield with 4 of the regular starters missing. The exceptional performances of the '99 season included senior captains Carmine D'Allesio and Rafael Sanchez. D'Allesio finished the season with an average of .403 as well as striking out only 3 times in 72 at bats. Sanchez played brilliantly by hitting .400 with an on-base percentage of .540. Thanks for a memorable season.

# O T D A L L

"Commitment in the face of conflict produces character." That's the motto of the '99 East Side Red Raider Football team. This season the Raiders started with high hopes for the '99 season, but a couple of conflicts came their way. Nonetheless, due to the abundance of heart, character, and desire they ended a 4 game losing streak with a 3 game winning streak and kept on fighting. At the end of a season where they relied on their character they were left with potent memories. This year the Raiders were led by captains Naazir Jackson and Twquan Wilson who were also the teams CO-MVP's, showing how they gave it their all as leaders this year. There were also good performances by seniors: Keon Bethea, Nicanor Trinidad, Anthony Torres, Halem Mann, Lenin Genao, Bruno Azvedo, Jayson Rodrigues, Albert Massino, Johnny Roman, Hector Rosado, Jeff Wyche, Bernabe Perez, Emin Spahiu, and Greg Jaworski, and the rest of our hard working players.

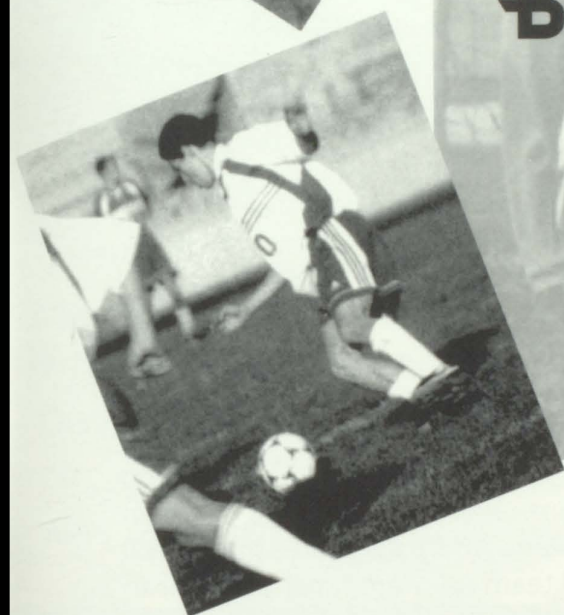

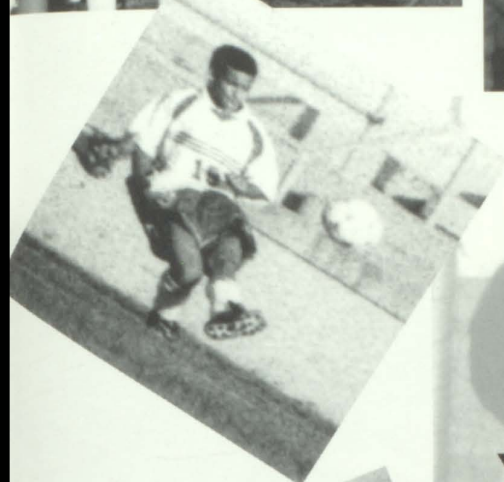

# GIRLS BASKETBALL

Excitement, persistency, and determination are adjectives that describe our girl's basketball team. The team was coached by Zeke Tuson who helped them to defeat Westfield High, a team that presented a tough challenge in earlier years. Two exceptional players who supported and encouraged the team were captains Monica Ellis and Latoya Vaughn. By consistently scoring in double figures Monica Ellis may make All-County Honors, which further distinguished her as an outstanding player. Thanks for a memorable season.

# BOYS SOCCER

The East Side's boys soccer team showed great determination this year. The coaches, Pat Pontoriero and Cipriano Nieves, encouraged the boys to never give up despite the hard times. The team was led by captains Ed Valdez and senior Jose Domingues.

# HOCKEY

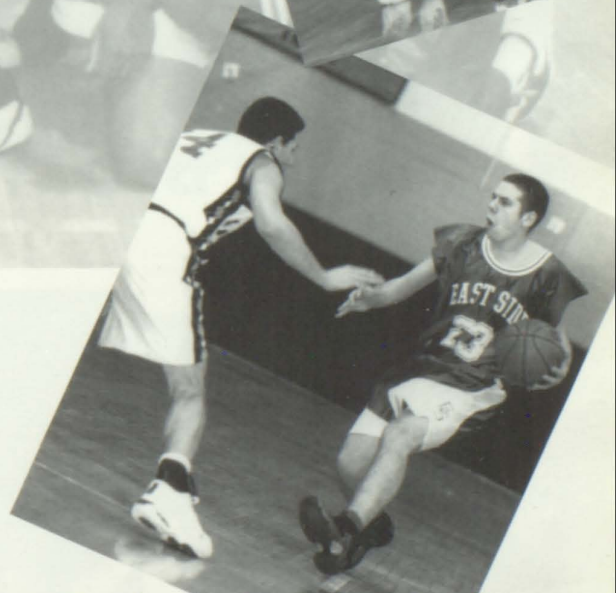

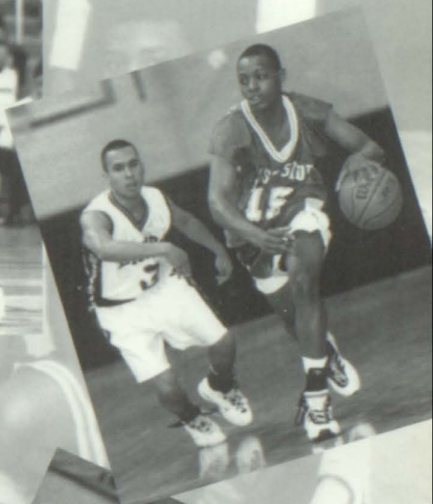

Our hockey team, which was coached by Ricky Rodriguez and Joseph Regal, had an impressive season. This year was the boy's 2nd straight year qualifying for the American Conference Playoffs for Division C. They also won the 1999 American Conference Sportsmanship Award. Overall they had a 4-9-1 team record. John Cruz who is a captain along with seniors Ricardo Viegas and Andre Pais had a season full of success. Captain John Cruz won this year's all conference second team All-Stars for the American "C" Division. With the help and guidance of seniors Cruz, Mora, Viegas and Pais our hockey team made the conference playoffs for the second straight year.

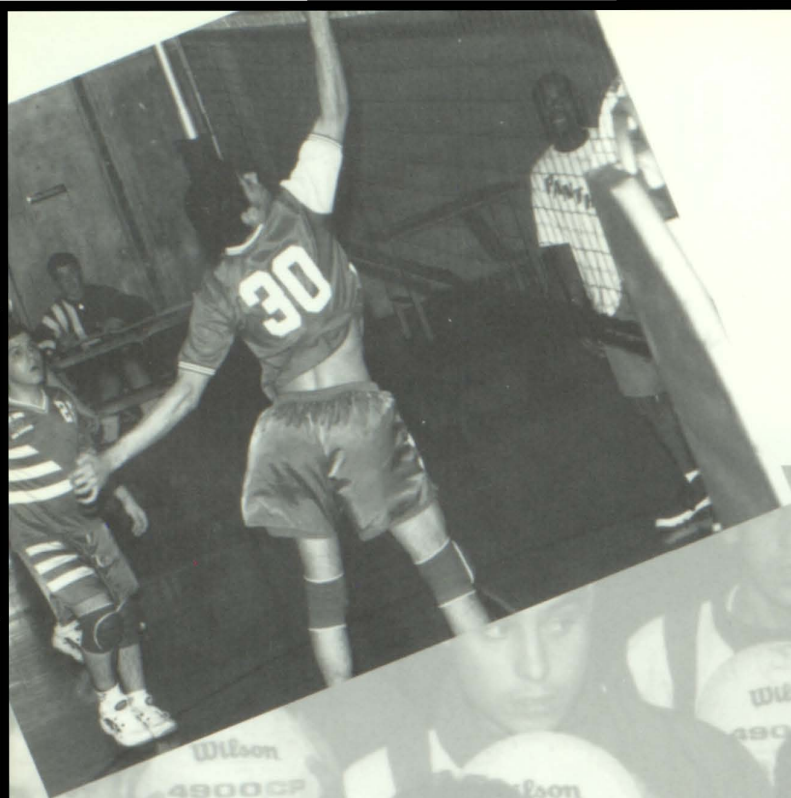

The Boys Basketball Team was coached by Malcom Outlaw, Anthony Tavares, and Luis Nascimento. It was their excellent coaching that helped our team excel. Senior captain Michael Silva, who averaged 13 points per game, hit a free throw against Newark Tech. with one second on the clock to win the game with a score of 58-57. Two other exceptional players were Randy Foye who averaged 21 points per game and Dave McSwain who averaged 11 points per game. The boy's record this year was an impressive 9-8.

# BOYS BASKETBALL

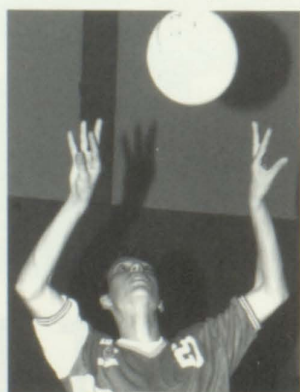

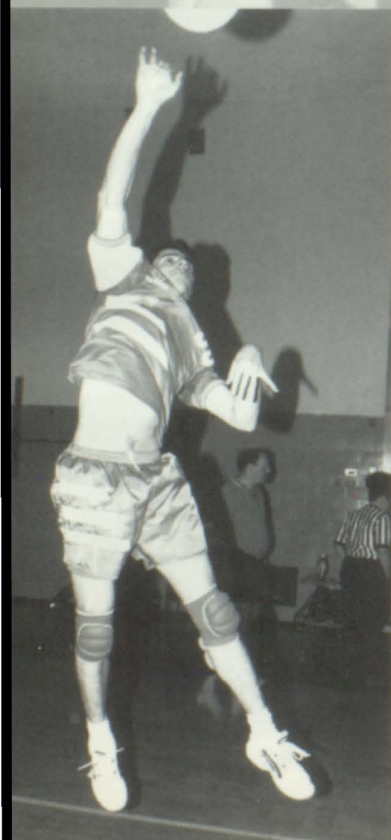

The Boys Volleyball Team was coached by Mr. Westberry and Stephano Meton. Our outstanding 1998-1999 Varsity Starting 6 consisted of Cristiano Liborio, Thomas Watruski, Guillermo Matheus, Ahmad Ismail, Rogelho Trento, and team captain Breno Mendez. These boys played in the state's best league, against the top teams in New Jersey. They played exceptionally well against the best team in the state which was a highlight in an otherwise exciting season. They have great potential and show promise for a great season next year.

# BOYS VOLLEYBALL

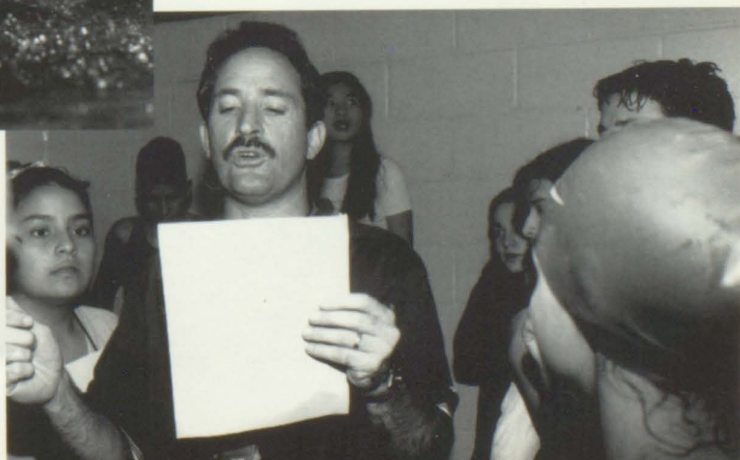

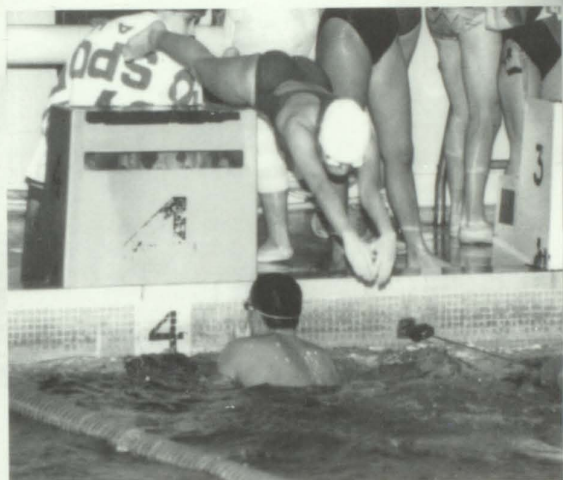

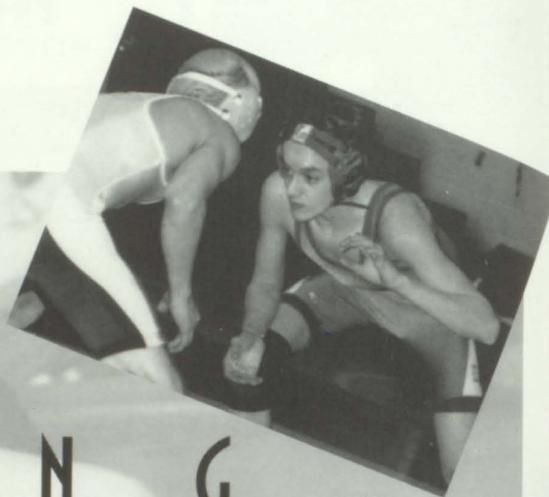

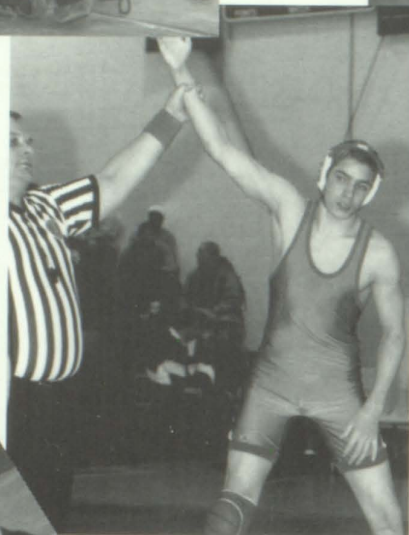

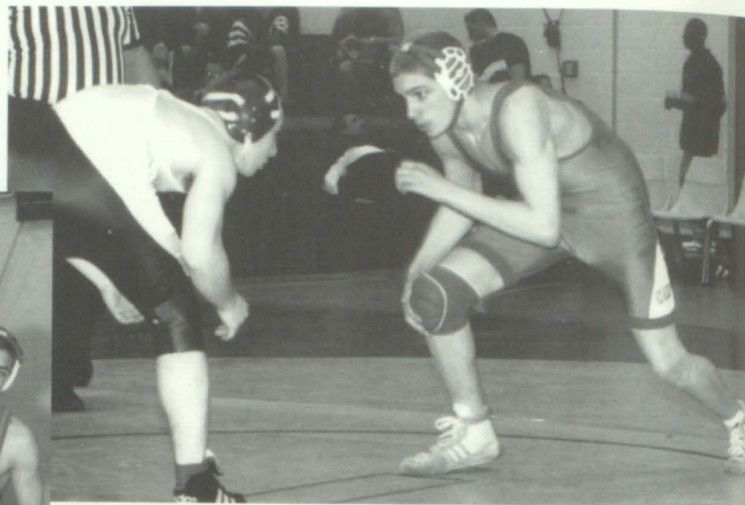

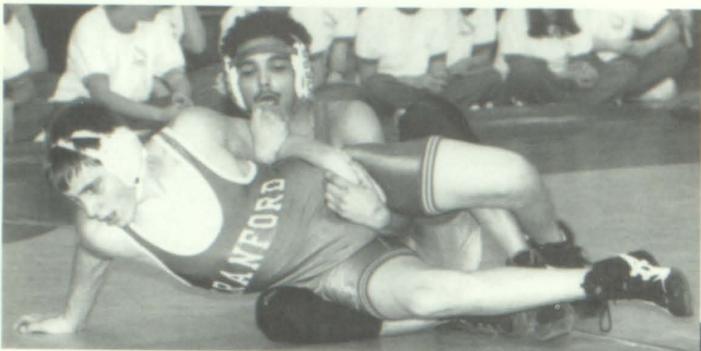

"Train, Don't Complain." That was Coach Patrick Farely's motto during the 1999-2000 season. East Side's Swim Team not only trained hard, but also taught over 20 beginners how to swim. During the season, each swimmer learned dedication, time management, and how to have fun. The team was inspired by its captains Ahmad Ismail, Diego Vazquez, and Alice Salazar, who won various events, and also managed to make it look easy. The team not only had a wonderful season, but a lot of fun swimming.

Our Wrestling team has once again dominated local tournaments, thanks to the excellent coaching of Steven Sandford, David De Oliveria, and John Gabrielli. Our team captains for this year were Filipe Santos and Albert Messino. The boys were able to pull off 10th place finishers at the Junior Varsity tournaments, and one 1st place finisher on the varsity level. Filipe Santos and Alexy Mendez placed 1st in the Rahway Tournament. Kudos to you!!

# INDOOR TRACK

Hard work does not begin to describe what the track team goes through daily at practice, and it shows! The boys team, which was coached by Gisele Harris and Rui Martins, captured 2 country titles. Hugo Nogueira led the team and ran an impressive 4 minutes and 30 seconds mile. Kenneth King, another star athlete, jumped 42 ft. in the triple jump. Good job guys, you had a very memorable season.

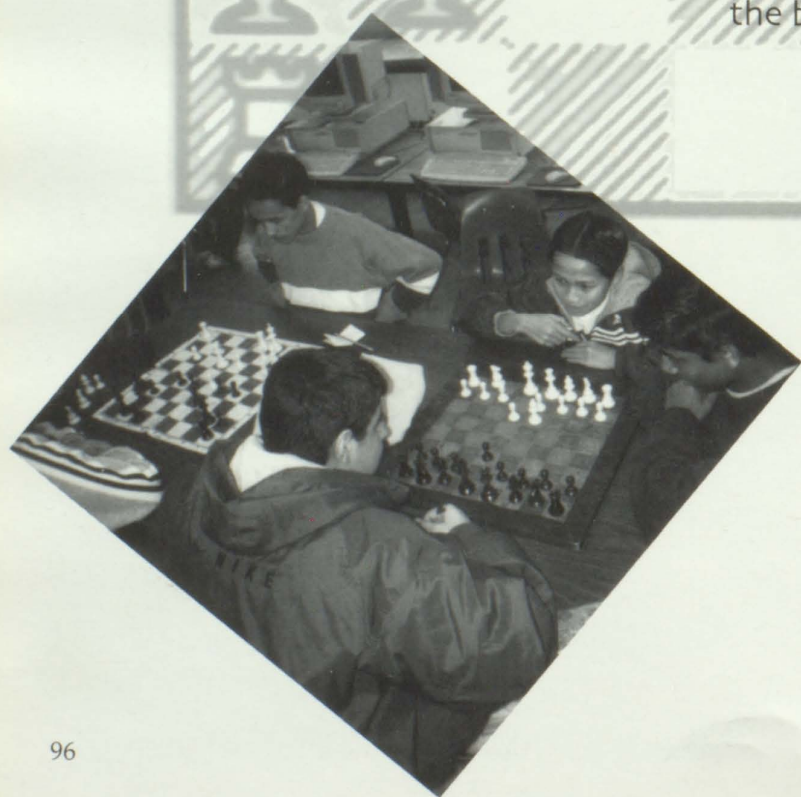

# ( H E S )

The year 2000 not only brought the Y2K bug but it also brought the chess bug to East Side High School. This year our chess team had a wonderful year due to the virus in their system, which propelled them to defeat all who dared to challenge them. The team consisted of more than 15 players who were strongly programmed with confidence and determination which helped to crash their opponents hard-drive. They launched their season by winning 8 out of the 9 games and hope to continue their streak in the Essex County Tournament. The player mostly infected with this "bug" was Juan Mollo who was named the team's most valuable player for the 2000 season. Let the bug spread on!

Homecoming

*On Wednesday, November 24, 1999 East Side's last homecoming of the century was held. It was a glorious event brought about by the talented work of the school Spirit Club. The night was filled with excitement and glamour. The students were prepared for a grand celebration and they not only dressed in magnificent evening wear but also celebrated the night with boundless school spirit and a lot of happiness.*

*After the votes were tallied and the results revealed, only our homecoming court, king and queen remained. Before they were announced, though, the entire school enjoyed the dancing, flirting, and festive atmosphere which was evident throughout the gymnasium. At the strike of the clock everyone, especially the many nominees, were anxious to know the results. With great pomp and circumstance it was announced that our homecoming king was Raphael Riveira and our homecoming queen was Stephanie Pereira. Our court consisted of Paul Marques and Ana Balbino, Edgar Padilla and Lilibetty DaSilva, Shakira Napier and Freddy Bonilla, and last but not least Silvia Pascoal and Naziir Jackson.*

*This night gave birth to many personal and group memories, but one of the most poignant for everyone was the ray of happiness and wonder that befell on our homecoming royalty when their names were announced. This*

*special night will be forever treasured in our hearts.*

In Memoriam  
Fernando Cruz

## Alma Mater

In the bustling city's bosom,  
Like a gem most rare,  
Shines the noblest of our treasures, Shines our  
High School fair.

In the field, the hall, the city,  
Loyal to thy name,  
Be it ever our endeavor,  
far to spread thy fame.

Then unite in loyal praises,  
Ere the glad days run,  
In the world are many high schools,  
In our hearts but ONE.

## Chorus

Hail, all hail, dear East Side High School  
Green thy memory be;

By the bond of happy hours  
Are we bound to thee.

and

with the morning sun at our backs

our shadows  
like  
our futures

stretch out before us
